Lead Math Instructor

Developed and implement curriculum across grades 9-12, and college prep. Taught and test students according to institution guidelines. Consulted with parents and students to develop plans to accomplish student goals. Maintain grade records and report quarterly.

**Houston Barbecue Company,
Lakebriar Holdings LLC, Houston, TX |**

2013 – current

Technology Coordinator

Maintained all company technology platforms, including networking, computer systems, POS systems, AV installations, and security systems. Budgeted, ordered, and setup company equipment. Diagnosed, troubleshoot system issues and provided recommendations and solutions as needed. Alongside these duties I managed day to day activities including customer service.
